Subject to section 14 of the Public Health Act 1965 the Director of Health of the Niue Health Department hereby issues the following order:

That due to reported suspected cases of community transmission of COVID 19 in New Zealand, that as a precautionary measure, all passengers arriving from New Zealand and in Niue on or after Friday the 20\textsuperscript{th} of March 2020, will be deemed suspected cases of a notifiable disease and subject to medical examination upon arrival, be admitted to a designated isolation station and will be subject to medical observation for a period of 14 days.

Family members, friends and associates of any of these passengers are ordered to refrain from having any physical contact with any of these passengers whilst they are in isolation or as directed by the Director of Health.

Every person who fails to comply with this order commits an offence and is liable to prosecution.

Grizelda V L Mokoia  
Acting Director of Health  
Niue Health Department  
Ministry of Social Services (MoSS)
